About Me

Motivated engineering student with a strong interest in problem-solving and software development. Skilled in programming fundamentals and eager to apply technical knowledge in real-world projects. Quick learner with a positive attitude and a passion for continuous improvement.

Education

Arya College of Engineering & IT , Jaipur, Rajasthan	Expected 2027
Bachelor of Technology in Computer Science	GPA: 8.4/10.0
The Doon Valley Public School , Saharanpur, Uttarpradesh	2023
Senior Secondary (Class 12th)	84%
The Doon Valley Public School , Saharanpur, Uttarpradesh	2021
Secondary (Class 10th)	83.6%

Technical Skills

Programming Languages: Java, SQL, Linux

Web & Frameworks: React, Node.js, Express.js, HTML, CSS, JavaScript

Databases: MongoDB

Technologies & Tools: Git, Figma, GitHub, Postman, Object-Oriented Programming, Data Structures & Algorithms

Core Competencies: Problem Solving, Full-stack Development, Database, Version Control, Responsive Web Design

Projects

Dev-Detective — GitHub User Search App 2026

- Developed a responsive web application to search GitHub users and compare developers using `async/await` for API integration.
- Implemented Battle Mode to compare two developers based on total stars with visual winner highlighting.
- Built a dynamic UI with proper error handling, loading states, and mobile-first responsive design.

AuraMind – AI Mental Wellness Chatbot — Streamlit, Python, DistilBERT, Gemini API 2025

- Built an AI-powered mental wellness chatbot using Google Gemini for empathetic and context-aware conversations.
- Integrated DistilBERT-based sentiment analysis to classify emotions and generate real-time mood scores.
- Designed mood tracking, visual mood-journey graphs, and session summaries.
- Implemented crisis-support resources and a dark-themed, accessible UI using custom CSS.
- Developed a modular, production-ready system using Streamlit, HuggingFace Transformers, and environment-based configuration.

Certifications

- Game Programming with Unity Internship — TechForce Academy (Jun 2025 – Aug 2025)
- Red Hat Certified System Administrator — RHCSA
- Problem Solving Through Programming in C — NPTEL
- Java as a Second Language — LearnQuest
- Google UX Design — Google
